# Introduction

The Digital Skills for Life (DSL) guide is a collection of booklets that is designed to help you learn essential digital skills for daily living. It offers step-by-step instructions and quick tips that empowers you to navigate the digital landscape confidently and safely.

It is designed for anyone who wants to pick up essential digital skills for daily living.

The DSL skills are grouped into 5 competency areas as shown in the diagram.

## Learning Outcomes:

This guidebook focuses on the 'Transact Online' competency, where you will learn:

- The common public transport and ride hailing apps, their icons and identify them using their logos.
- The common features (UI) and common steps (UX) to set up, top up, monitor transactions history on public transport app.
- The common features (UI) and common steps (UX) to book, make payment and monitor transaction history on ride hailing apps.
- Useful cybersecurity tips to stay safe online.

To help you acquire the learning outcome, this guidebook uses different transport apps as examples to demonstrate the common features and steps to access the public transport, book taxi rides and make payment for these services and more.

**DSL**

The guidebook is based on common software icons and mobile device settings. Please note that certain features may differ across different mobile devices and models.

# Cyber Security Tips

To stay safe while using public transport and ride hailing apps, please keep to the following:

**Do not** share personal or financial details, passwords or one-time password (OTP) with anyone.

Check for updates and **update your app promptly** to protect your devices from known security vulnerabilities.

Download apps from **official** sources.

# Understanding Common Public Transport App

About Public Transport App

Page 5

The Common Features found across Public Transport Apps

Page 6

# About Public Transport App

A transport app such as the SimplyGo app allows Singaporeans to have a one-stop access to set up, top up and monitor their public transport transactions. You don't need to go to the bus or train stations anymore just to check or top up your card.

## Benefits:

- Easily top up your card from your phone.
- Keep track of your transport transactions.

## Pre-requisites to learning the apps

### Learners must:

- Have a mobile device (either iOS or Android) connected to either cellular network or Wi-Fi.
- Have a credit card or debit card.
- A travel card (EZ-Link card/Concession card) is also required.

# Common Features Across Different Public Transport Apps

## Home Icon

Sometimes in the icon of a house, allows you to access the app's main homepage.

## Inbox Icon

Sometimes in the icon of a bell or letter, to view notifications on deals or latest news.

## Profile Icon

To view your account information.

## Top Up Icon

To top up your card.

# Block Travel Card - Transfer Refund to other SimplyGo Travel Card

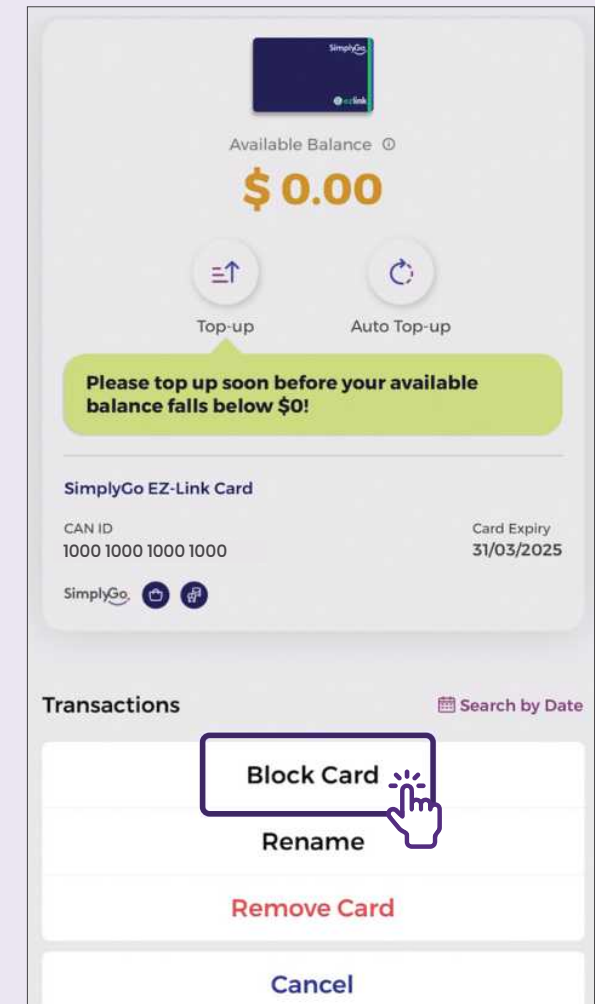

## 1 Select a card from the Homepage

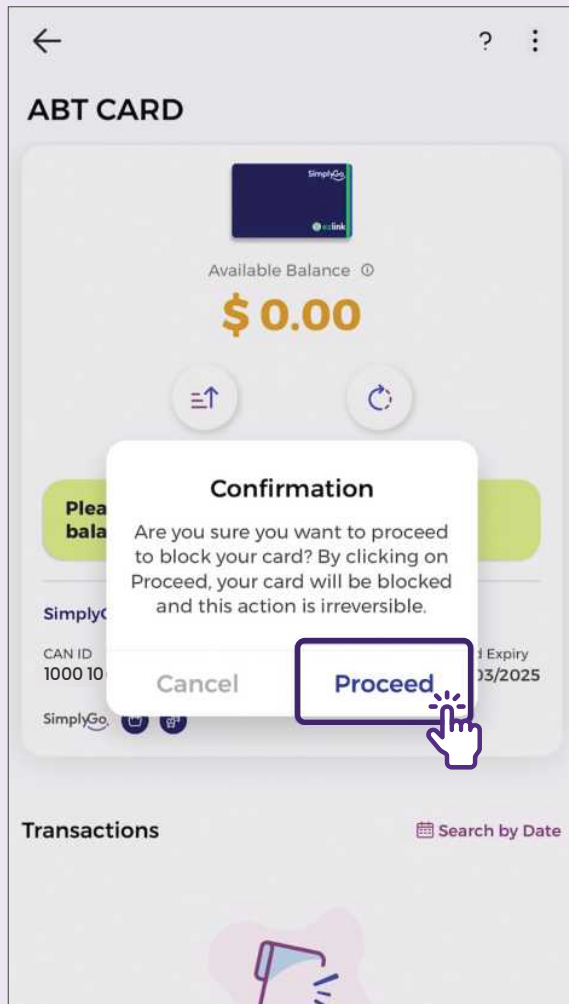

## 2 Tap on the Icon at top right Corner

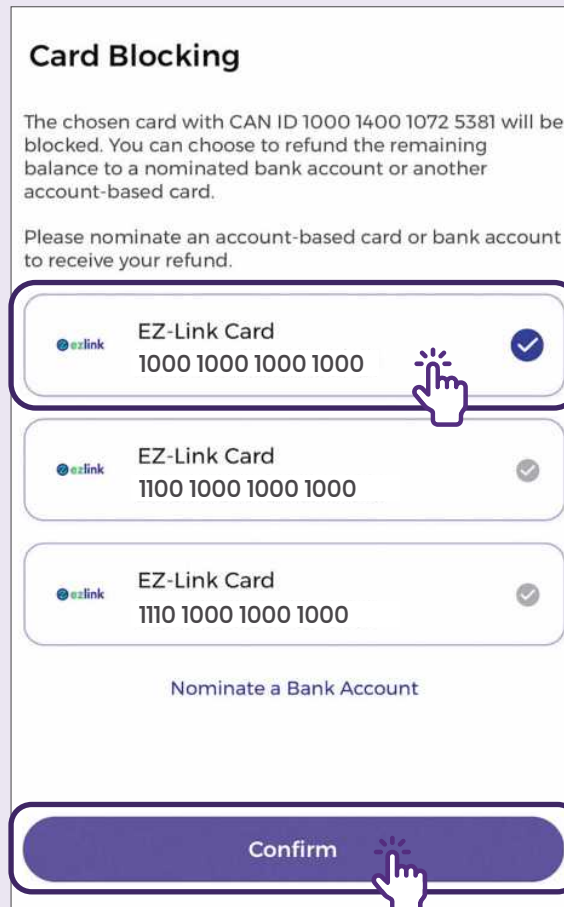

## 3 Tap on Block Card

#### 4 Tap on Proceed

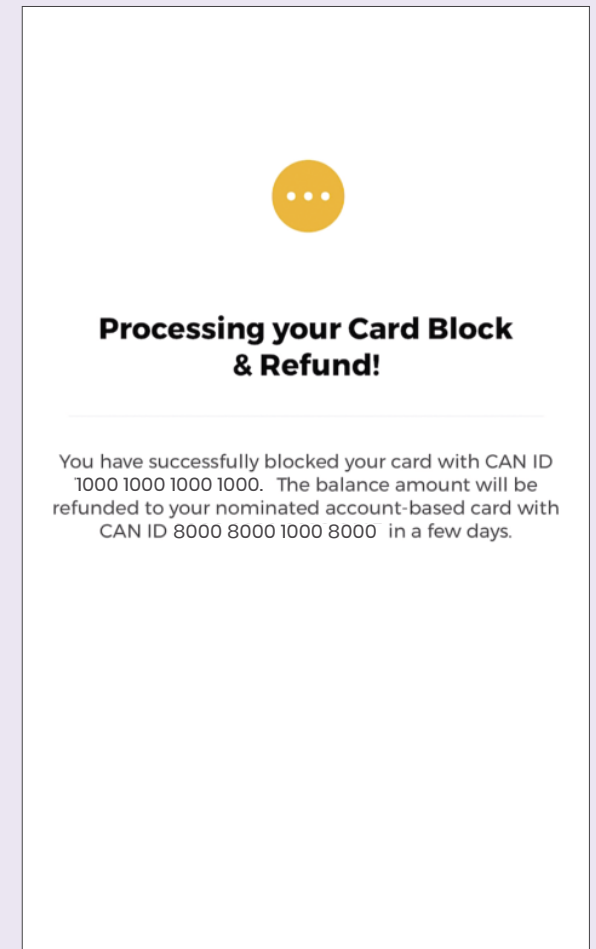

#### 5 Transfer Refund

Tap on the other EZ-Link card you would like to transfer the refund to. Tap on **"Confirm"** to proceed.

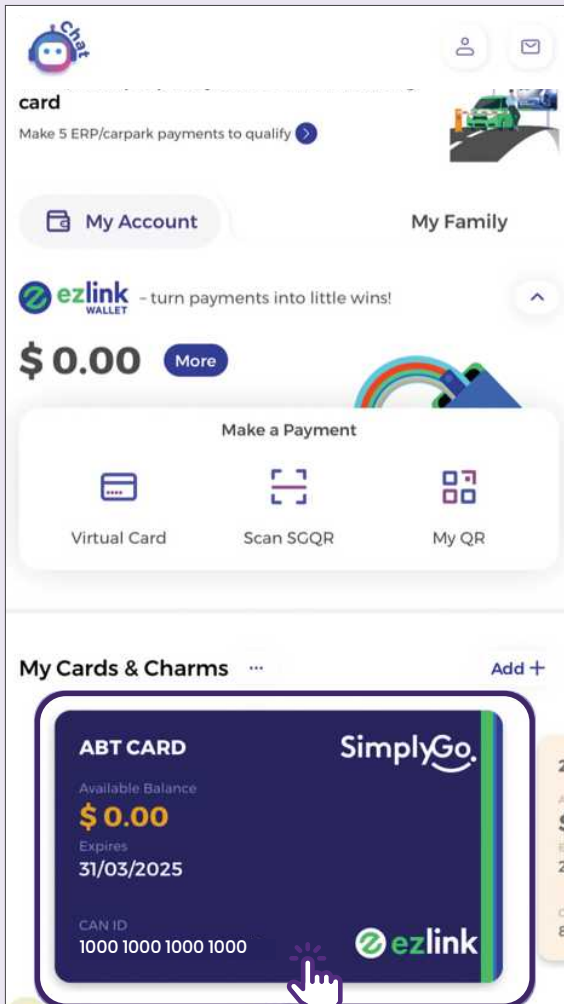

#### 6 Card successfully blocked and refund is being processed

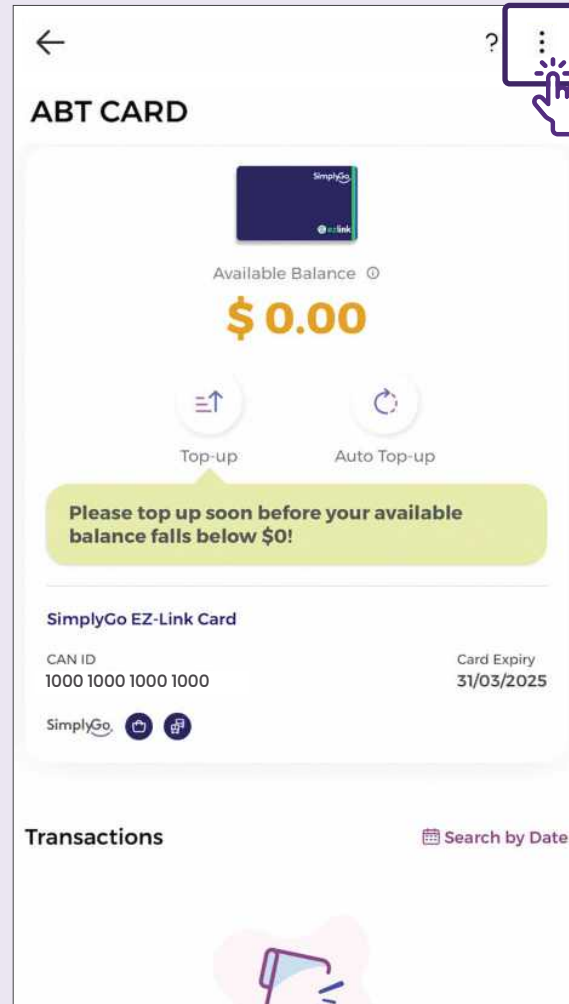

# Block Travel Card - Transfer Refund to Bank Account

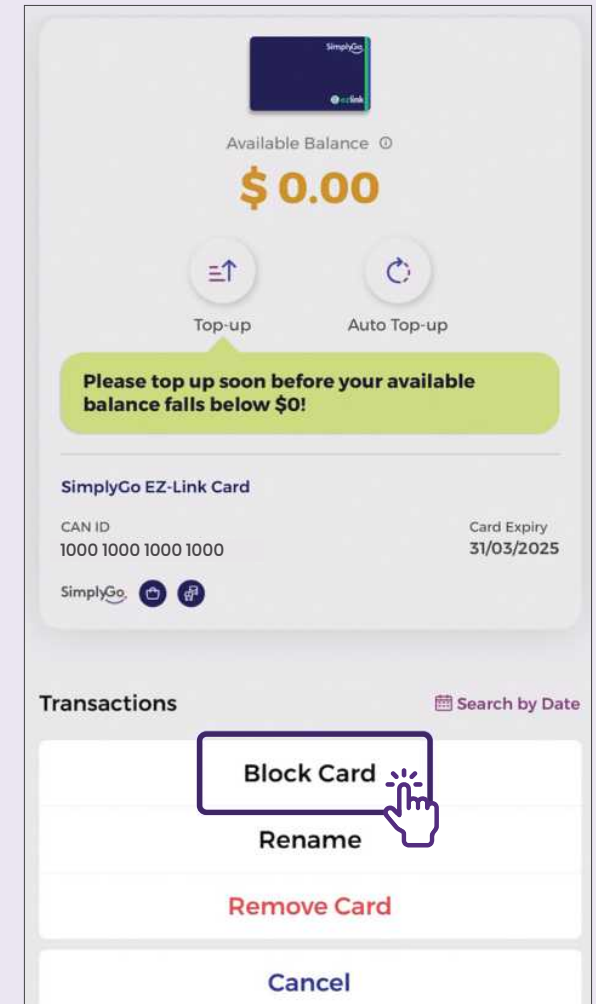

## 1 Select a card from the Homepage

## 2 Tap on the Icon at top right Corner

## 3 Tap on Block Card

#### 4 Tap on Proceed

The screenshot shows the 'ABT CARD' screen. At the top, there's a back arrow, a question mark, and a menu icon. Below the title 'ABT CARD', there's a card image and the text 'Available Balance' followed by '\$ 0.00'. There are two circular icons with arrows. A confirmation dialog is overlaid in the center, asking 'Are you sure you want to proceed to block your card? By clicking on Proceed, your card will be blocked and this action is irreversible.' The dialog has 'Cancel' and 'Proceed' buttons. A hand icon is pointing at the 'Proceed' button. Below the dialog, there's a 'Transactions' section with a 'Search by Date' button. At the bottom, there's a card icon.

#### 5 Tap on Nominate a Bank Account

The screenshot shows the 'Card Blocking' screen. It has a title 'Card Blocking' and a paragraph: 'The chosen card with CAN ID 1000 1400 1072 5381 will be blocked. You can choose to refund the remaining balance to a nominated bank account or another account-based card. Please nominate an account-based card or bank account to receive your refund.' Below this, there are three rows of 'EZ-Link Card' with their respective CAN IDs and a checkmark. At the bottom, there's a button labeled 'Nominate a Bank Account' with a hand icon pointing at it.

#### 6 Select the bank you want to refund to

The screenshot shows the 'Input Bank Account Info' screen. It has a title 'Input Bank Account Info' and a back arrow. Below the title, there's a bank icon. The screen is divided into two sections: 'Name of Bank\*' and 'Bank Account\*'. The 'Name of Bank\*' section has a list of banks: 'Citibank Singapore Limited', 'DBS Bank Ltd', 'POSB Bank Singapore', and 'United Overseas Bank Ltd'. A hand icon is pointing at 'United Overseas Bank Ltd'. The 'Bank Account\*' section has a text input field.

## 7 Enter Bank Account Number

 Input Bank Account Info

Name of Bank\*

POSB Bank Singapore ▼

Bank Account\*

## 8 Card successfully blocked and refund is being processed

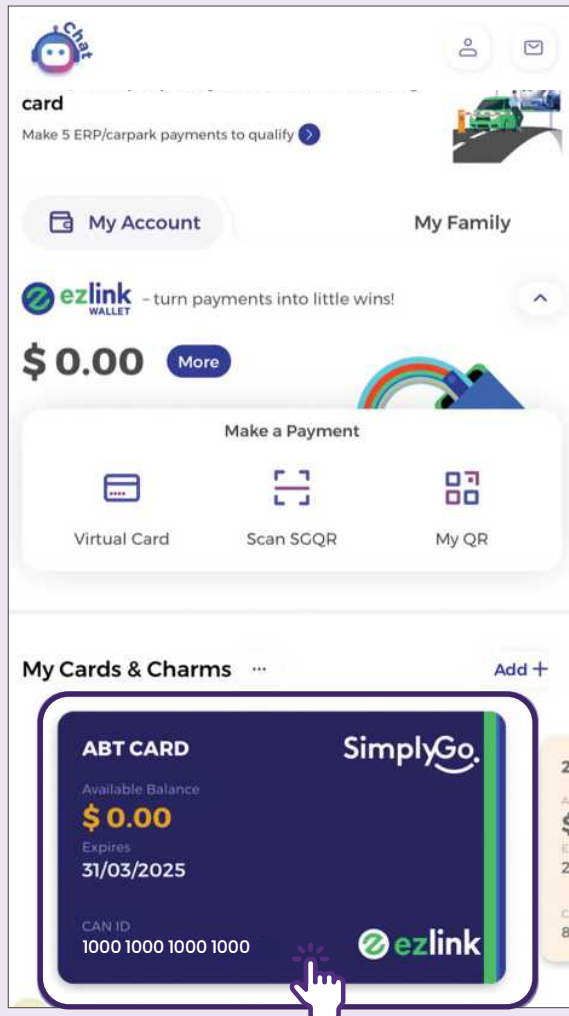

### Processing your Card Block & Refund!

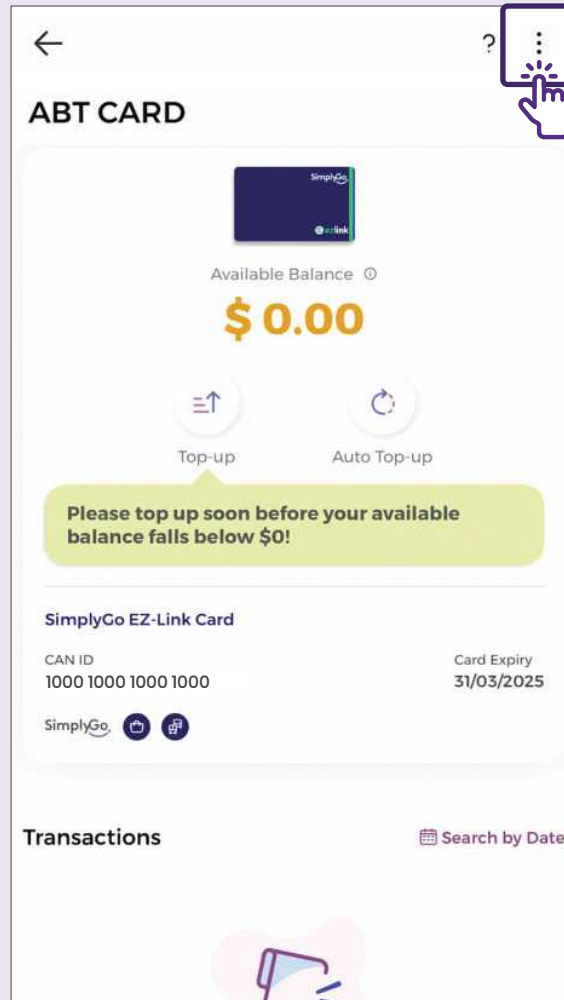

You have successfully blocked your card with CAN ID 1000 1000 1000 1000. The balance amount will be refunded back to your bank card (for auto top-up enabled cards) or to your bank account 1001001000 in a few days.

# Delete Travel Card

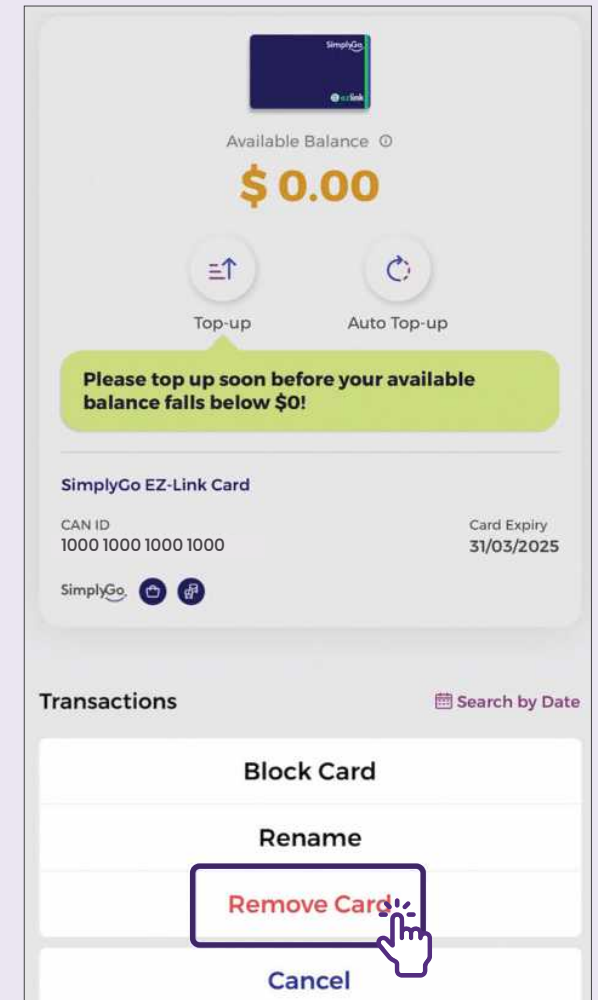

## 1 Select a card from the Homepage

## 2 Tap on the Icon at top right Corner

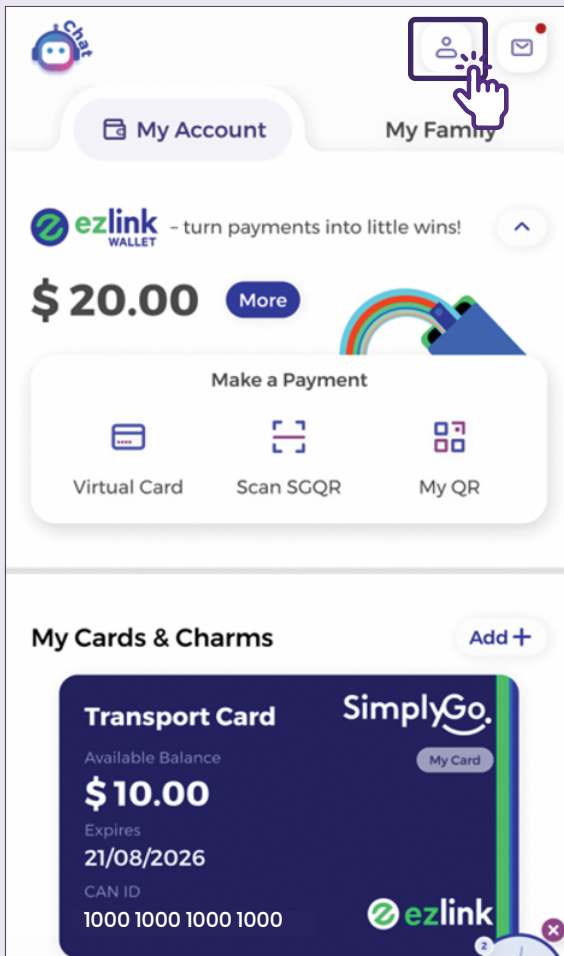

## 3 Tap on Remove Card to delete card

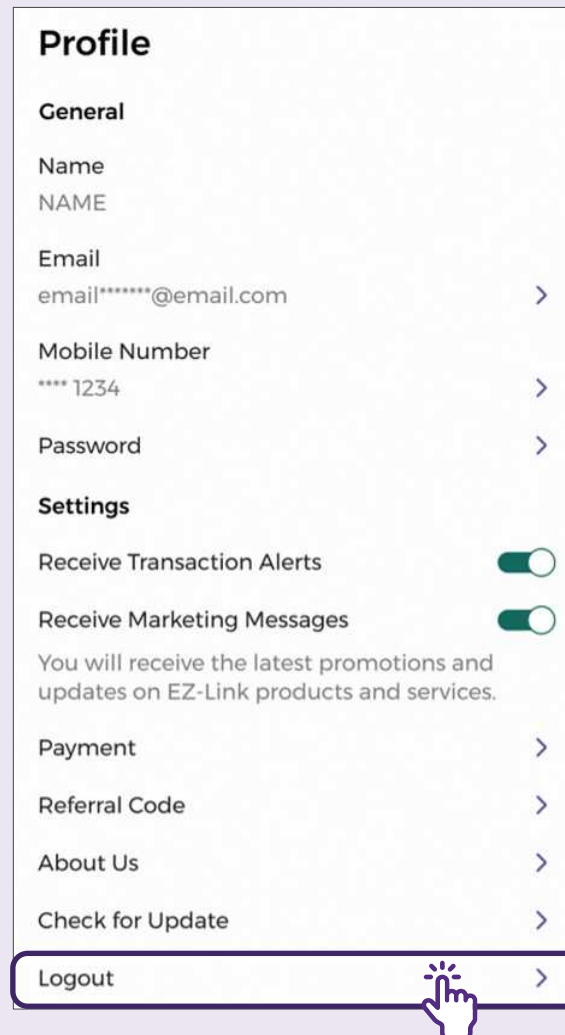

# Log out of Your Account - On Android

- 1 Tap on the Person Icon on the top right of the Homepage

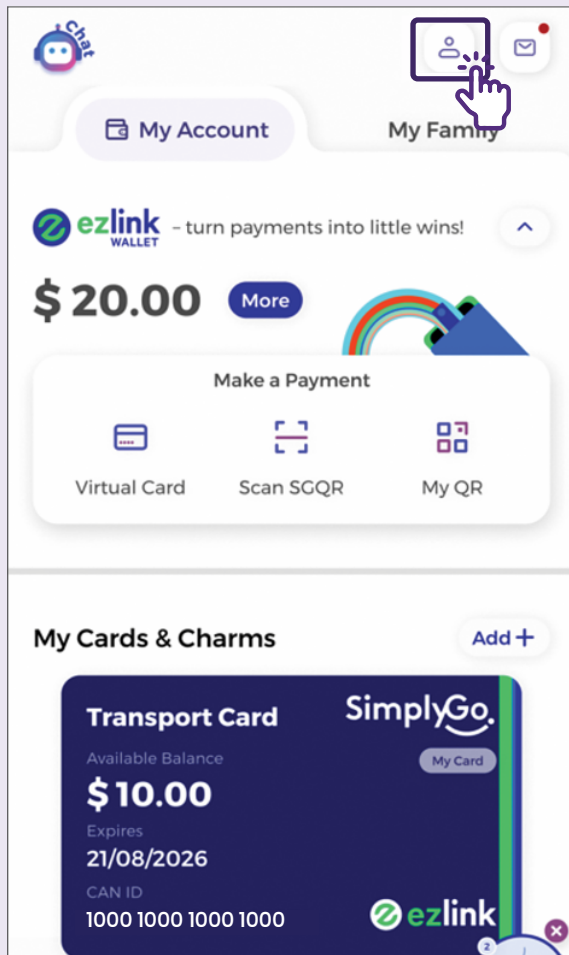

- 2 Tap on Logout at the bottom of the page

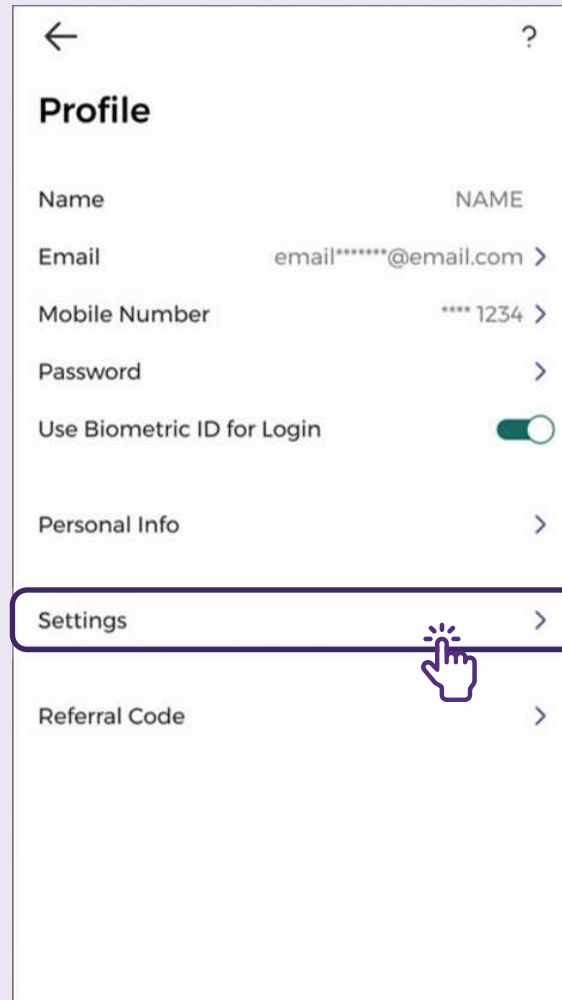

# Log out of Your Account - On iOS

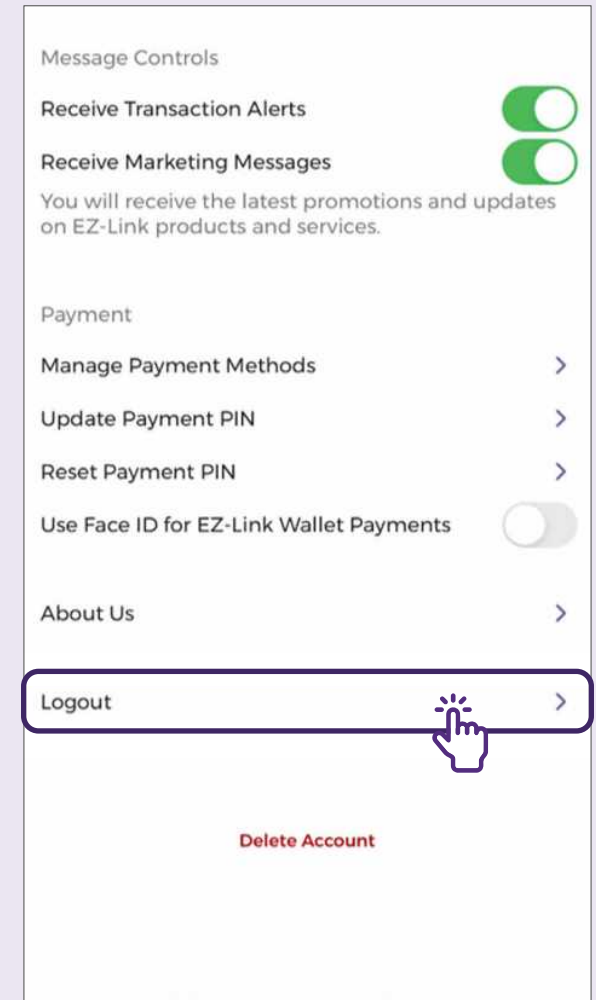

- 1 Tap on the Person Icon on the top right of the Homepage

# About Ride Hailing Apps

Gone are the days to flag for a Taxi, now you can easily book a ride through your mobile phones! Ride Hailing apps such as Grab and Zig allows you to book a ride, monitor your route or review your transport history easily.

## Benefits:

- Easily book and wait for a ride to bring you directly to your destination.
- Keep track of your transport transactions and history.

## Pre-requisites to learning the apps

### Learners must:

- Have a mobile device (either iOS or Android) connected to either cellular network or Wi-Fi.
- Know how to install an app on the mobile device.
- Know how to use Singpass.
- Have a credit or a debit card.

Grab

# Common Steps Across Ride Hailing Apps - Set up/Log in

Most apps require you to sign up an account before you can start using them. Make sure you have a valid email account or phone number, which are the common information you need to provide to create an account. Tap on “Sign Up” to set up an account.

## Grab

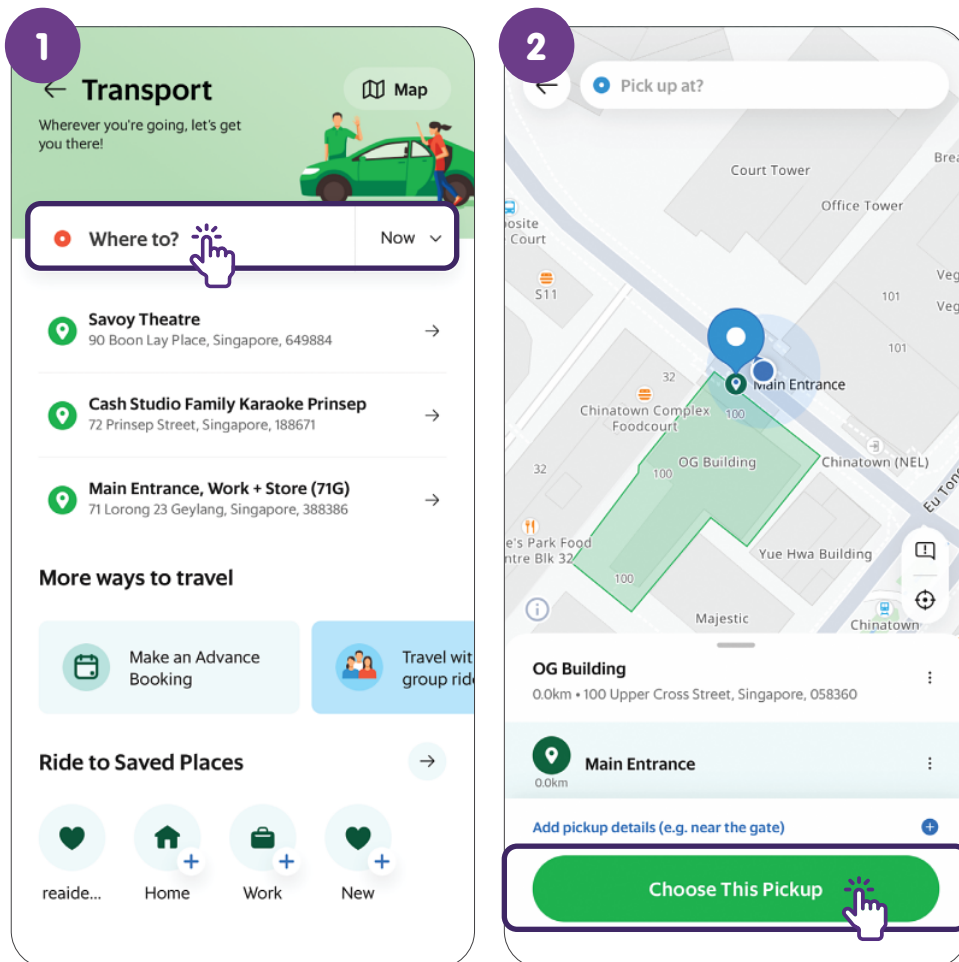

## Zig

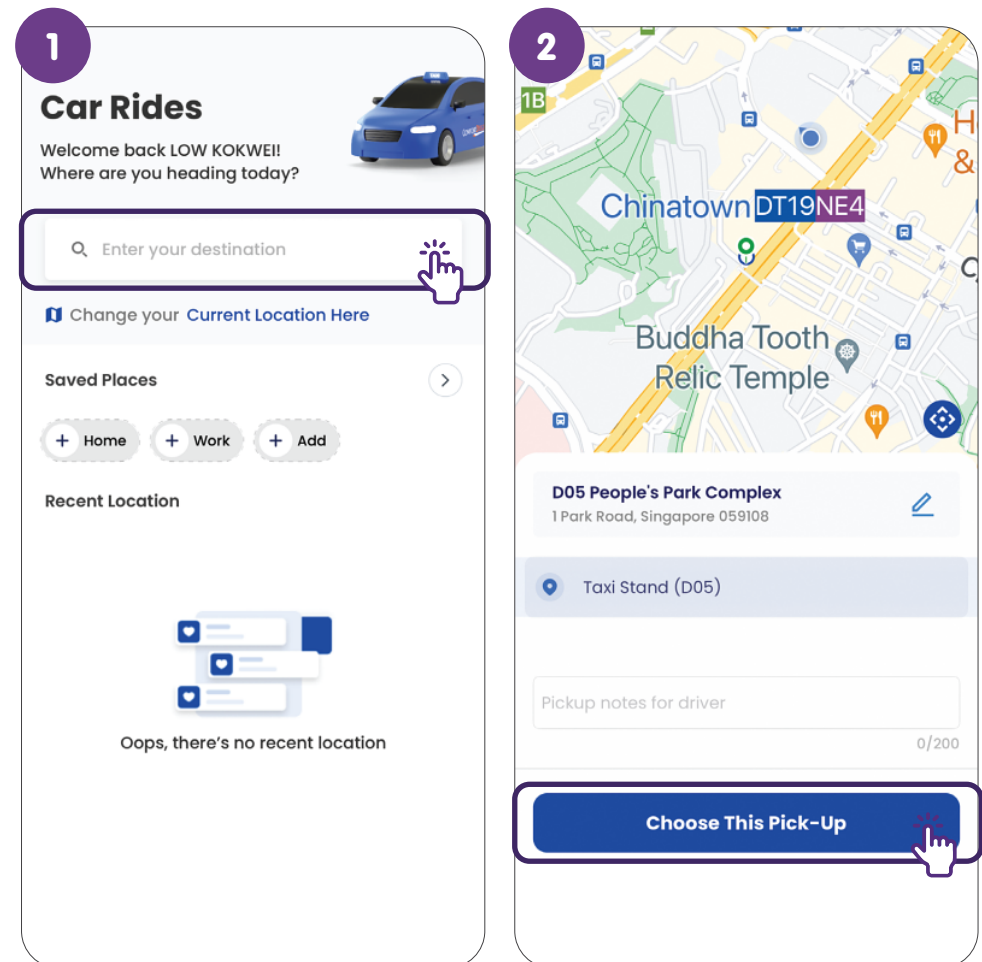

# Common Steps Across Ride Hailing Apps - Book a Ride

To start booking for a ride, tap on the "Search Bar" which is usually located at the top of the app. After you've tap on the search bar, key in the address you want to travel to.

## Grab

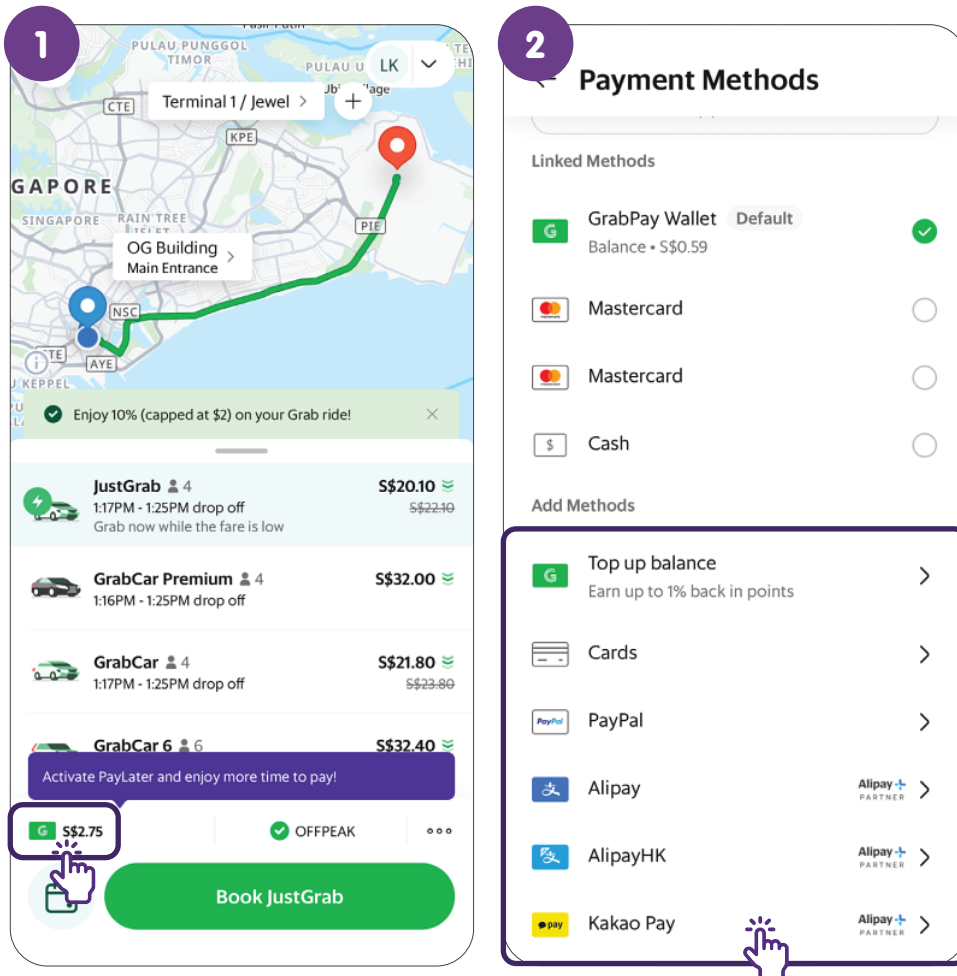

## Zig

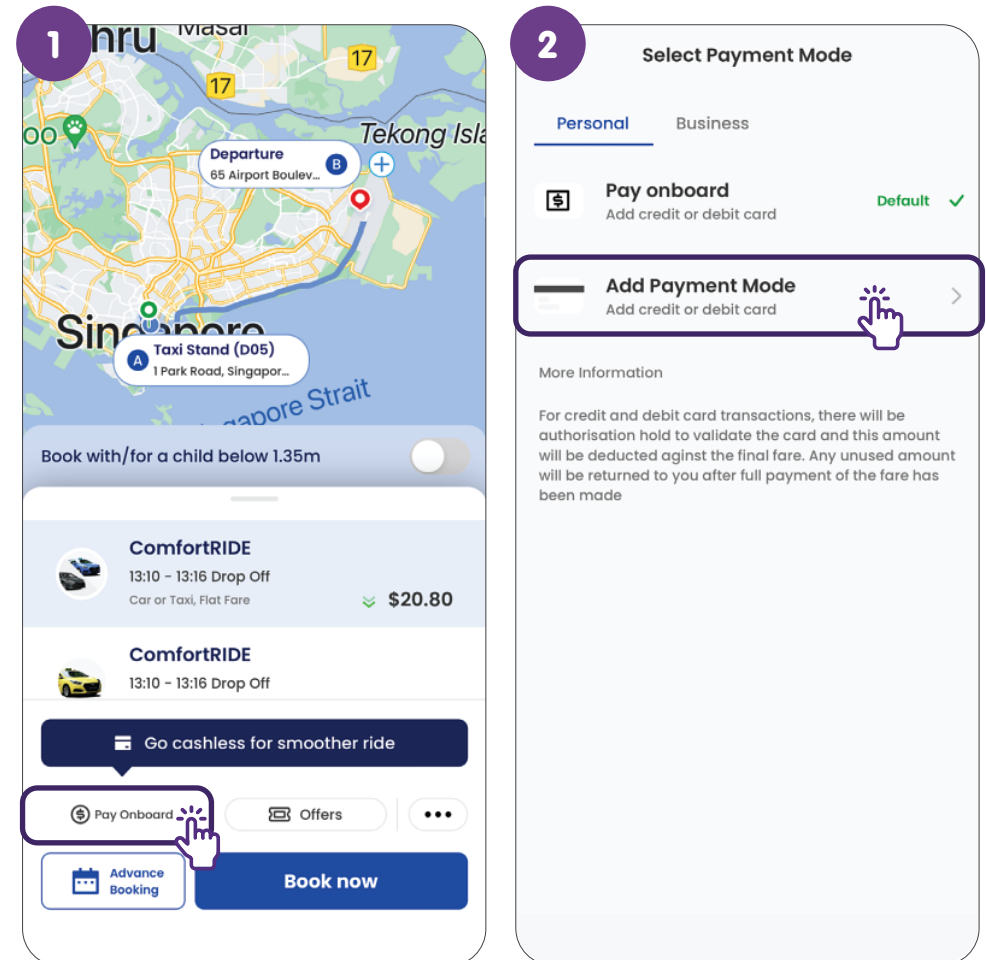

# Common Steps Across Ride Hailing Apps - Set Payment Method

After you've set your pickup location and destination, you would have to set up your payment method. Tap on the "\$" icon and select the payment method you would like to go with.

## Grab

## Zig

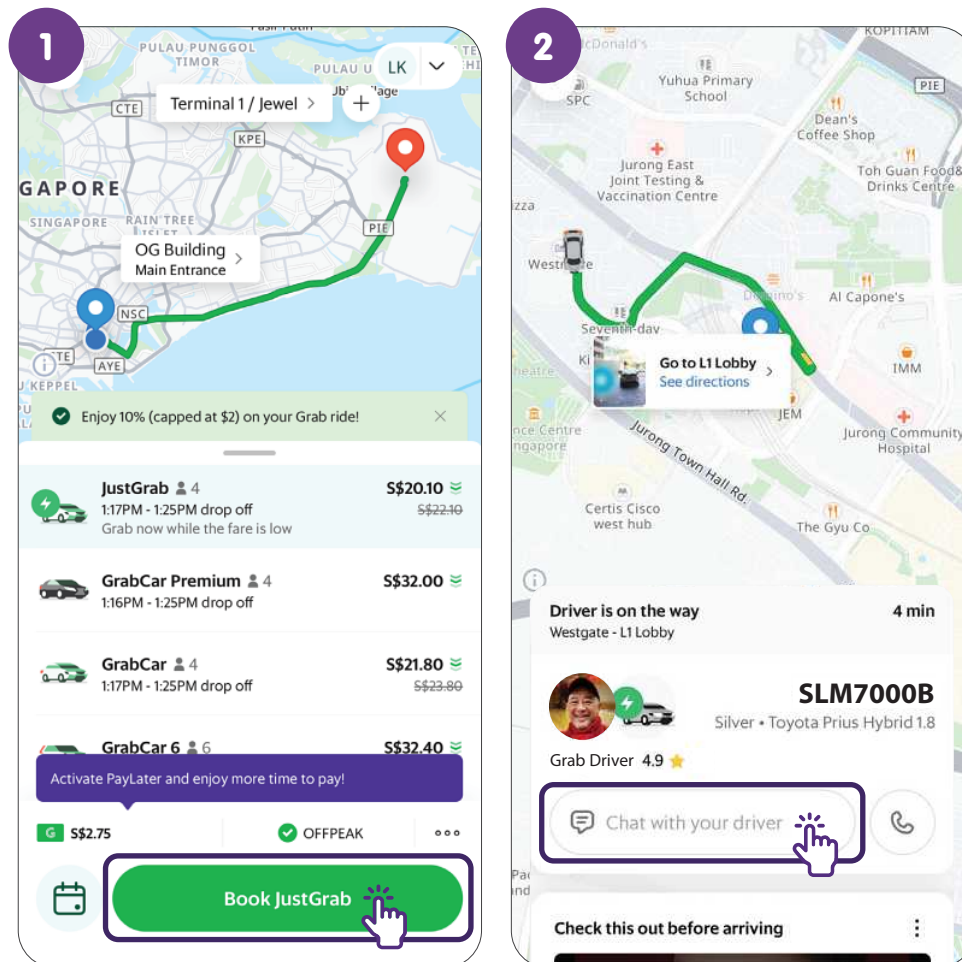

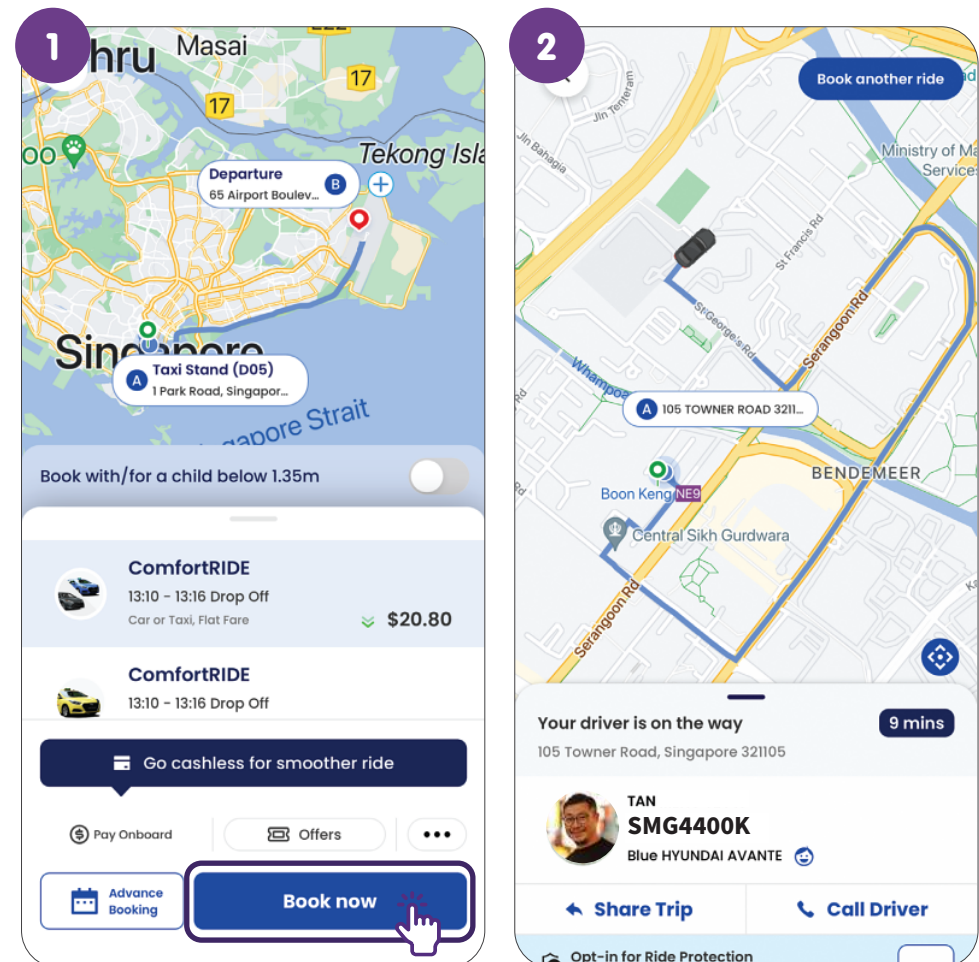

# Common Steps Across Ride Hailing Apps - Confirm Booking

Once you have set up your payment method, double check your travel details and tap on the “Book” button. The system will start looking for a ride for you.

## Grab

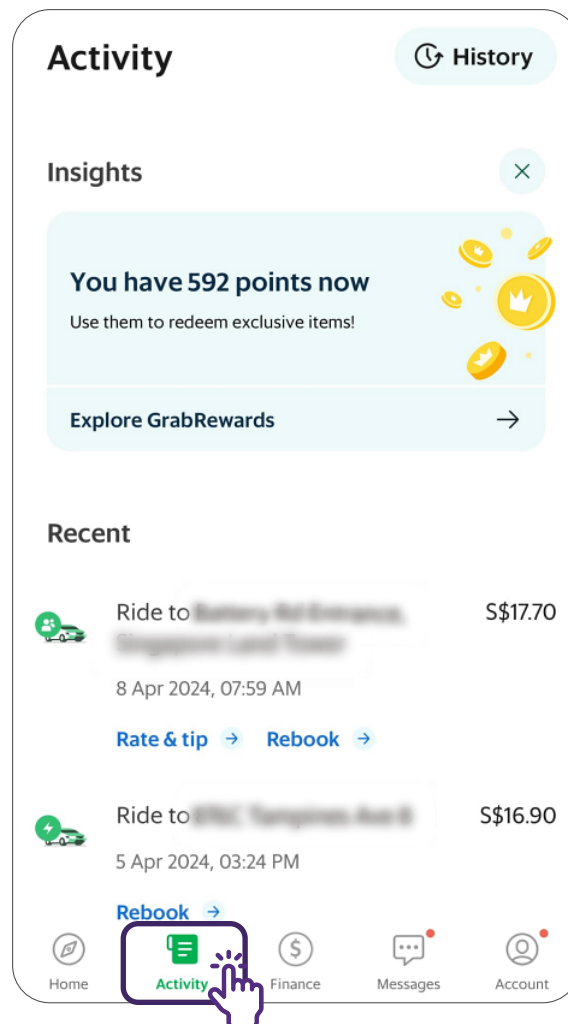

## Zig

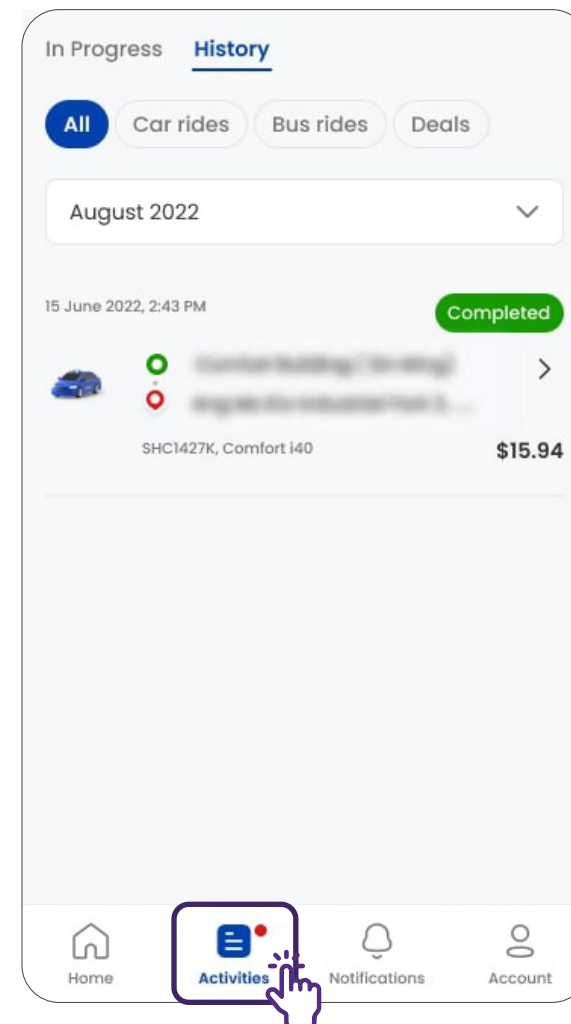

# Common Steps Across Ride Hailing Apps - Check Transport History

To check on your past transport transaction history, you can tap on “Activity” icon usually located at the bottom of the screen.

## Grab

## Zig

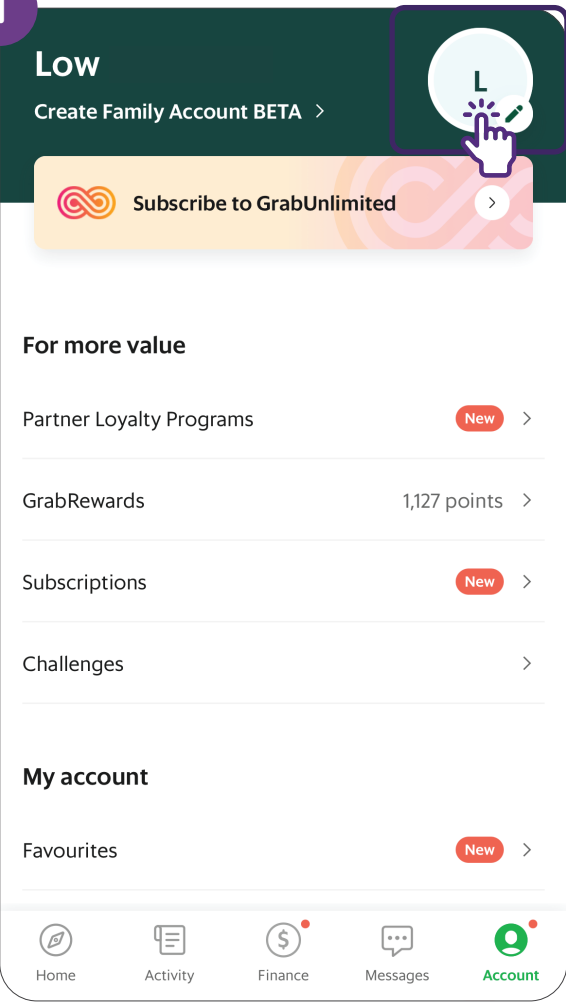

# Common Steps Across Ride Hailing Apps - Log out

To protect your personal information, you should log out of your account after you have finished your transaction. The “Logout” option can usually be found in the account settings.

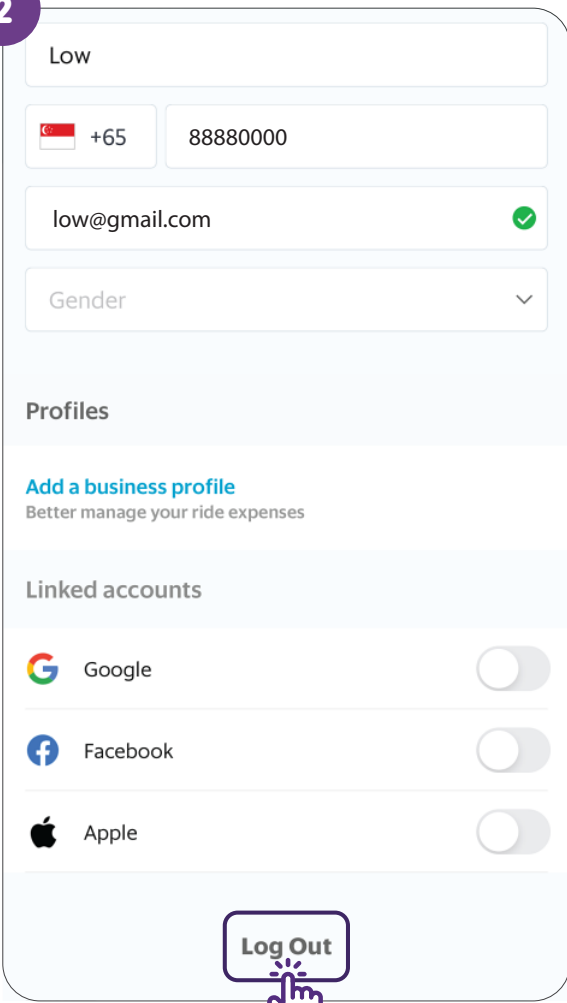

### Grab

**1**

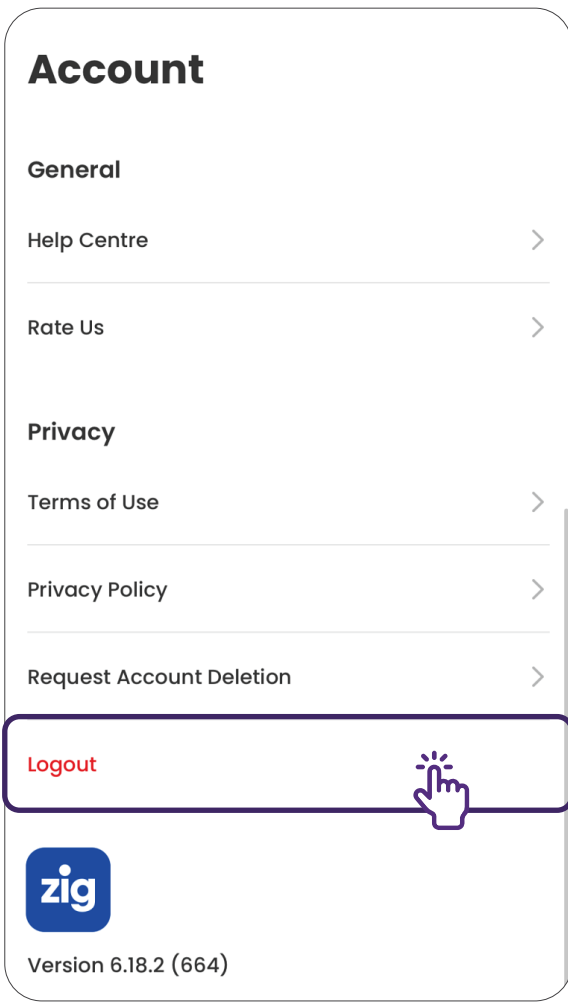

The screenshot shows the Grab app's home screen. At the top, there's a dark green header with the name 'Low' and a 'Create Family Account BETA' link. Below this is a yellow banner for 'Subscribe to GrabUnlimited'. The main content area is titled 'For more value' and lists several options: 'Partner Loyalty Programs' (with a 'New' tag), 'GrabRewards' (showing 1,127 points), 'Subscriptions' (with a 'New' tag), and 'Challenges'. Below this is a 'My account' section with a 'Favourites' link (also with a 'New' tag). At the bottom is a navigation bar with icons for Home, Activity, Finance, Messages, and Account (which is highlighted in green).

**2**

The screenshot shows the 'Account' settings screen in the Grab app. It displays personal information: name 'Low', phone number '+65 88880000', email 'low@gmail.com' (with a green checkmark), and a 'Gender' dropdown. Below this is a 'Profiles' section with a link to 'Add a business profile'. The 'Linked accounts' section shows toggles for Google, Facebook, and Apple. At the bottom, there is a purple 'Log Out' button with a hand icon pointing to it.

### Zig

The screenshot shows the 'Account' settings screen in the Zig app. It has sections for 'General' (with links to 'Help Centre' and 'Rate Us'), 'Privacy' (with links to 'Terms of Use', 'Privacy Policy', and 'Request Account Deletion'), and a 'Logout' button at the bottom. The 'Logout' button is highlighted with a purple border and a hand icon. Below the settings is the Zig logo and the version number 'Version 6.18.2 (664)'.
