

YOUR LIFE ISN'T EVERYONES' BUSINESS

STAY SAFE WITH S.A.F.E.

* * * *

Secure your privacy

- Set strong passwords
- Turn on Two-factor authentication
- Log out on shared or public devices

Avoid oversharing

- Keep family details private
- Don't share your real-time location
- Post trip photos after you're back

Filter your audience

- Remove followers you don't trust
- Block/report suspicious accounts
- Don't accept friend requests from strangers

Evaluate before posting

- Think about your future. Will people judge you for this post?
- Be careful with religious/racial posts.
