

Silver Digital Creators

Infocomm Media Development Authority (IMDA), in partnership with the National Library Board (NLB) and Apple, will roll out the “Silver Digital Creators” suite of courses targeted at seniors who have embraced technology and are ready to bring their digital skills to the next level in the area of creativity. Eligible seniors can also enjoy subsidies under the National Silver Academy.

Class venue:

- Bedok Public Library
- Toa Payoh Public Library
- Jurong Regional Library
- Woodlands Regional Library

To be Creative Digitally

Celebrate creativity as seniors connect digitally with family, friends and community. Aimed at building their confidence with the use of Apple iOS, five courses will be offered to bolster the seniors’ creativity skills. In the process of learning, seniors will be recognized for the skills and projects created and showcased. After the completion of five courses, they will receive an Apple Regional Training Centre certificate of recognition.
