

DID YOU KNOW?

You can use Zoom to organise or join a virtual meeting or webinar from the comfort of your home!

STEP 1A Install the Zoom app on your mobile phone

Go to the **Apple App Store**  or **Google Play Store**  to download the Zoom app and launch the application.

1. For iOS users, tap on 'Get' to download the app.
2. For Android users, tap on 'Install' to download the app.

STEP 1B Join a Zoom virtual meeting or webinar with a mobile phone

Click on the Zoom link sent to you via email or through an instant message.

3. Enter your name, connect to audio and turn on your video. Tap 'Join Meeting'.

4. Enter the meeting password and tap 'Continue'.

5. Tap 'Ok' to allow Zoom to access your camera. Select 'Join with video'.

6. Tap 'Ok' to allow Zoom to access your microphone.

STEP 2 Join a Zoom virtual meeting or webinar with a computer

Click on the Zoom link sent to you via email or through an instant message.

7. Click 'Click here' and select 'Join from your browser'.

8. Enter the meeting password and your name. Click 'Join'.

9. Please wait for the host to grant you access into the webinar.

You do not need to sign up for a Zoom account to join a Zoom virtual meeting or webinar. You will need a Zoom account if you would like to organise a virtual meeting or webinar.

Cyber security tips (Credit: Cyber Security Agency of Singapore)

- Do not disclose personal information online.
- Do not share Zoom virtual meeting/webinar links and passwords with someone who is not invited to the session.
- Do not share sensitive files or hold sensitive discussions.
- Do not open or download any unverified links and attachments from unknown sources in the chat function.
