

Ready to Level Up?

About Role-Playing Games:

Role-playing games let you develop characters through quests and battles.

Examples:

Genshin Impact,
Honkai: Star Rail

Key Features

- ✓ Story-driven Adventures
- ✓ Character Progression via Level-Ups
- ✓ Map Exploration

Why You Might Like It

- 1 Immersive Stories**
You can get drawn into characters and storylines.
- 2 Exploration**
You can discover large worlds and new adventures.
- 3 Character Growth**
You can build stronger characters and feel rewarded as they level up.
- 4 Community**
You can share tips, guides, and experiences with other players.

What to Watch Out For

- 1 In-Game Spending**
Some games feature gacha mechanics and microtransactions that encourage spending.
- 2 Excessive Playtime**
An enticing storyline and constant progress can make you lose track of time.
- 3 Pressure to Log In**
Daily rewards and limited-time events can create a fear of missing out, making you want to play every day.

Tips to Stay Safe

SET

Set a **time limit** for gaming and a **budget** for in-game purchases.

THINK

Be mindful of what you share in chats and forums.

REPORT

Report and **block** toxic users who show hurtful or inappropriate behaviour.

ENGAGE & SUPPORT

Talk to a **trusted adult** or friend if something does not feel right.

Who's in Control?

About Sandbox Games:

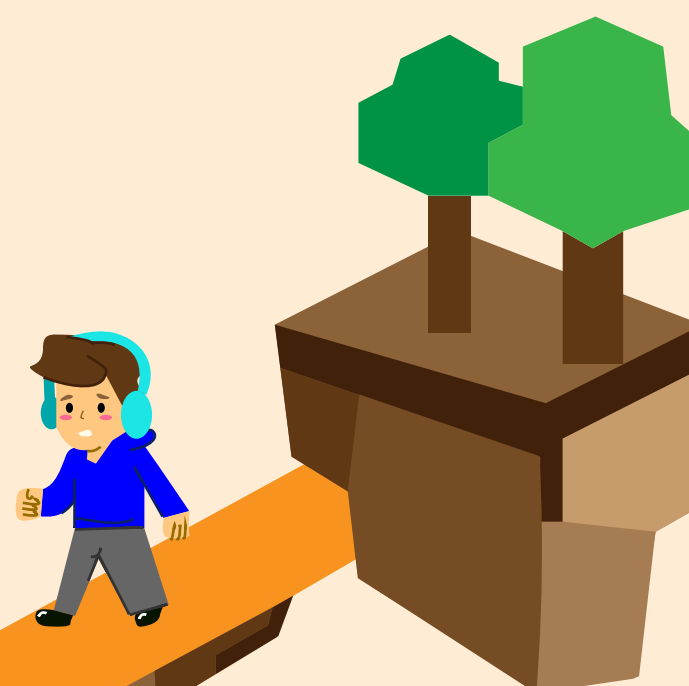

Sandbox games let you explore, create and build in an open-ended world without following a fixed path.

Examples:

Roblox, Minecraft

Key Features

- ✓ Open-Ended Gameplay
- ✓ Building & Creation
- ✓ Open Exploration
- ✓ User-Generated Worlds

What to Watch Out For

1 Stranger Danger

Some servers and games allow strangers to message you.

2 Scams & Fake Offers

You may encounter fake offers and scams in exchange for virtual items or currency.

3 Inappropriate Content

You may come across user-created content that is not suitable for your age.

Why You Might Like It

Creativity

You can build almost anything you imagine.

Freedom

You can explore, create and play in your own way.

Social Play

You can collaborate with friends and share adventures together.

Learning Through Play

You can develop problem-solving and teamwork skills.

Tips to Stay Safe

SET

Set a **time limit** and use **privacy settings** to control who can contact you.

THINK

Be wary of suspicious offers and **protect** your personal information.

REPORT

Report and block inappropriate users, and avoid private chats

ENGAGE & SUPPORT

Talk to a **trusted adult or friend** if something does not feel right.

Friendly Fire?

About Shooter Games:

Shooter games focus on quick decision-making, teamwork and strategic thinking.

Examples:

Call of Duty,
Valorant

Key Features

- ✓ Objective-based Gameplay
- ✓ First- or Third-person Perspective
- ✓ Weapon Variety & Loadouts
- ✓ Multiple Game Modes

What to Watch Out For

1 Overspending

Some games may encourage you to spend on cosmetic items like skins and outfits.

2 Toxic Behaviours

You may encounter harassment, bullying, or other negative interactions.

3 Competitiveness

Some players focus too much on winning, which can lead to frustration and gaming rage.

Why You Might Like It

Skill-based Gameplay

You can improve through practice and experience.

Competition

You can work towards goals through ranking systems.

Teamwork

You can collaborate with teammates to achieve objectives.

Excitement

You can enjoy every match because it feels different and unpredictable.

Tips to Stay Safe

SET

Set a **time limit** for gaming and a budget for in-game purchases.

THINK

Be **respectful and calm** even when ranks matter.

REPORT

Report and block toxic users who show hurtful or inappropriate behaviour.

ENGAGE & SUPPORT

Talk to a **trusted adult** or friend if something does not feel right.
